

All members: Please be aware that the New York State Fraternal Order of Police logo/name is being used illegally to create parking placards. The placard shown above was being used as a parking permit within the City of New York. Be advised that the use of such placards is illegal and neither authorized nor condoned by the New York State Fraternal Order of Police. In an effort to protect our organization's reputation and name, we encourage all members to report such flagrant violations to the New York State Fraternal Order of Police Headquarters so that violators can be prosecuted to the fullest extent of the law.
